

Hello!

Thanks for your interest in being a game official for Interior Youth Basketball. Below is a brief summary of game nights/grade levels, etc. Games will be held at schools between Woodriver Elementary & North Pole Middle, and everywhere in between!

If you know of others who are interested in reffing, please ask them to register online. We will be scheduling an orientation soon. If you have some time, please go to the Rules page and review the rules that pertain to the different divisions.

Feel free to give me a call or send an email at any time if you have further questions about the program.

Kathy Fitzgerald
IYB Program Coordinator
